

## THE GAZETTE.

MONDAY EVENING MAY 6.

**FOXES.**—These poultry thieves have been multiplying so rapidly in this vicinity, within the past three or four years, that their depredations upon our farmers' poultry, pigs, lambs, ducks and geese, have become rather a serious matter. Within the past few weeks some of our young people have been making a raid upon them successfully, destroying them altogether. We have heard of a dozen or so being killed near town recently. On Monday morning last several boys captured four young red foxes in the pine hills half a mile west of town, in a cavern. Upon examining the den, it was found to contain a quantity of chickens, bones and feathers, lambs' and pigs' bones, rabbits' and squirrels' feet and bones, &c. It is no uncommon thing to see these "varmints" prowling about the fields near town, in the daytime, committing their depredations. —*Shenandoah Herald.*

**COBB'S ISLAND, VA.**—The Richmond Dispatch says: The Messrs. Cobb Brothers are actively preparing their establishment for the season, and hope to make Cobb's Island more attractive than ever. Among other improvements, they are to have a steamer plying three days in the week between the island and the mainland, connecting with a line of stages across the peninsula from Cherrystone wharf.

**GUANO AND FERTILIZERS.**  
The subscriber has on hand a full assortment of the most approved MANURES, which he is prepared to sell in any quantity desired, at the LOWEST MARKET RATES.  
As the prices are uniform the farmer can obtain his supplies as well by correspondence as though he were to purchase in person.

**OFFER.**  
Peruvian Guano, of the best quality.  
Bolivian Guano. This article comes from the same section as Peruvian, which it closely resembles in texture and appearance. It is much richer in Phosphate, but less Ammonia. For stiff soils or stiff sub-soils it will answer quite as well as Peruvian, and it costs but two thirds the price of that article.

Mexican Guano, of four grades.  
Ground Bones.  
Whitlock's Cerealizer. The high reputation borne by this article as the most effective and reliable crop producer made in the United States, induces us to believe it to be the best super-phosphate in the market, yet, by a process peculiar in its manufacture, whereby the expenses are lessened, we are enabled to sell it very low, with a liberal discount to dealers.

**BAUGH'S RAW BONE PHOSPHATE.**  
I am the only agent in Alexandria, Va., for the pure and genuine Baugh's Raw Bone Phosphate, for sale by me in large and small quantities. Also,  
**WHANN'S PURE RAW BONE PHOSPHATE**, manufactured by Walton & Whann.

**GUANO—REED'S AMMONIATED SUPERPHOSPHATE OF LIME.** The best superphosphate yet offered to the farmer, possessing all the activity of Peruvian Guano, but being far more durable in its effects.  
It contains a large amount of animal matter in a highly concentrated form, which, combined with its soluble bone phosphate of lime, cannot fail to render it very valuable as a fertilizer. Notwithstanding we believe it to be the best super-phosphate in the market, yet, by a process peculiar in its manufacture, whereby the expenses are lessened, we are enabled to sell it very low, with a liberal discount to dealers.
